BACKGROUND

Mpilo Royal[®]College was founded in 2007 as Higher Education, Health and Science Institution situated in Johannesburg city centre. **Mpilo Royal[®]College's** intention is to provide and promote education in Health Sector to previously and currently disadvantaged communities. We aim to initiate, develop and uplift life skills in local and rural communities which were affected by legacy of that era which is still existing even today especially in terms of commonly held notion regarding the superiority of exclusive education and usefulness of special education.

Mpilo Royal[®]College endeavours to provide democratic and non-discriminatory and socio-economic sound quality education to all South African citizen and foreign nationals by undertaking relevant learning programmes in order to meet dynamical changes regarding educational and health needs of broader community of South Africa and international.

OUR VISION

To create loving and supportive global health workforce.

OUR MISSION

To match high expectations of global health through advanced learning strategies.
