OUR BACKGROUND

Mpilo Royal® College was founded in 2007 as Higher Education, Health, and Science Institution situated in Johannesburg city centre. Mpilo Royal® College's intention is to provide and promote education in Health Sector to previously and currently disadvantaged communities. We aim to initiate, develop and uplift life skills in local and rural communities which were affected by the legacy of that era which is still existing even today, especially in terms of commonly held notions regarding the superiority of exclusive education and usefulness of special education.

Mpilo Royal® College endeavors to provide democratic and non-discriminatory and socio-economic sound quality education to all South African citizens and foreign nationals by undertaking relevant learning programmes in order to meet dynamic changes regarding the educational and health needs of the broader community of South Africa and internationally.
